OPEN CALL FOR YIVF#04 - OUT OF IT!

Deadline for submission: 15 November 2008

The House of Natural Fiber (HONF) - Yogyakarta New Media Art Laboratory presents the fourth annual Yogyakarta International Videowork Festival (YIVF#04) - Out of It! The community-based annual festival organized by HONF artists since 2005 will extend HONF Education Focus Program in mutual knowledge exchange between artists with the public and environment using video as a medium.

Video has transform into an affordable technology that the public uses in daily life. The use of video has been developed for various purposes such as documentation, films, movies and also games. Rapid development of art and technology offers artists various tools and methods for video production such as software and hardware. YIVF#04 - Out of It! are interested to know how artists explores creative ways of presenting videos in public spaces, and what content could be explored from diverse cultural and disciplinal background, what artists developed from the influence of technology in creative video production and unpredictable spaces of forms in Videowork.

HONF therefore launch an open call to international artists who have interest in limitless creations of artistic video projects through collaborative working process. HONF invites any artist without any concern of artist' disciplinal backgrounds or experiences. YIVF#04 - Out of It! is looking for a diverse opinions and perspectives in art production using community - based working method that have been used in personal, groups and institutions in Yogyakarta. HONF embrace interdisciplinary collaboration and values every discipline as an important factor in the enrichment of limitless art production/learning process.

YIVF#04 - Out of It! will consist of three main programs.

1. HONF will facilitate up to 4 international residency artists to collaborate with up to 2 local artists and HONF artists. The program will be held in 25 November -10 December 2008, before the main program of YIVF#04 - Out of It!
2. The main program for YIVF#04 will be held at 11-15 December 2008. HONF will facilitate the collaborative working process between participants, residency artists and HONF members. The projects, venues and times of the collaboration are dependable and decided by the artists themselves. Artist will be given the chance to make cultural visits in Yogyakarta and also a chance to give a presentation about themselves in an official public presentation of YIVF#04. This main program is open for any artists who have interests in a collaborative working process through community - based activities. A final public group presentation its' forms, venues and modules in public spaces will be decided by the group itself and will be held just before the closing ceremony of YIVF#04 - Out of It!
3. Post event residency will be opened for 4 international artists to explore the modern and traditional culture of Yogyakarta. Post event residency also invites artists' respond to the public in a series of workshops with several schools, children and creative communities. The self-directed residency will focus on relevant educative artistic activities. The residency program will be held from 17 December 2008 up to 16 January 2009.

TERMS AND CONDITIONS

1. Accommodation (home stay sharing) as well as meals (twice a day) for the duration of the main program will be covered by HONF. HONF will only provide residency artists with home stay accommodation.
2. Participants will manage to get their own funding for the costs of travel to Yogyakarta, Indonesia as well as related expenses. HONF will provide guidance and helpful information regarding participants' travel to Yogyakarta. HONF will pick up all participants at Adi Sucipto International Airport.
3. The organizer will provide transportation for related participants to the venues according to the festival projects.
4. During research activities, participants may use any equipment that will be provided by HONF. The quantity of the equipment is limited and should be shared with other participants.
5. (Optional collaboration) For electronic music performance and visual performance, participants must bring their own equipments. If there are equipments that cannot be brought, participants must fill their technical requirements and will be notify whether the equipments are available or not by HONF.
6. Participants must submit their arrival and departure date to HONF 2 weeks before the festival start. If the participant failed to submit, HONF will not be responsible for participant's involvement in the pre publication (posters, flyers, web banner, etc.) of the festival.
